Boxing

I have been involved with boxing since 1991, working as a ringside doctor. I worked with the Home Counties as medical advisor and since 1996 I have been on the Medical Committee of the Amateur Boxing Association (ABA) of England Ltd., improving medical aspects of boxing to make the sport as safe as possible. From 2003 to 2012, I represented boxing on the BOA Medical Committee.

As well as being Chief Medical Officer for major domestic boxing events, ABA finals, home international and multi-nations events, I have been fortunate to travel abroad with the GB Team for many international tournaments. I also worked as the neutral ringside doctor for World Series Boxing 2011-2012, 2012-2013, 2014-2015, 2015-2016, 2017 seasons.
