

Tyson J. Lee
Mobile, AL USA
tyson@vetindustries.com

I am uniquely qualified for a WORLD BOXING Board of Directors and Vice President leadership position. I possess the right combination of leadership, business experience, education and team building skills needed at this critical moment to save Olympic-style boxing within the Olympic movement and to further enhance the continued growth of the sport.

I was elected in March 2019 as President of the USA Boxing Board of Directors and re-elected in 2020 and have been a key part in building USA Boxing's Board of Directors into a leadership team where we embrace good governance, transparency, collaborative problem solving, accountability and fair play within the field of play.

I have also served as a Board of Directors member and as Vice President of the Americas Boxing Confederation (AMBC).

If elected, I pledge to work with the WORLD BOXING President, my fellow WORLD BOXING Board of Directors and WORLD BOXING stakeholders as partners so we can develop short-term and long-term goals for WORLD BOXING's strategic plan.

However, time is of the essence in that we must show the International Olympic Committee (IOC) and the other National Federations still loyal to IBA that we are committed to Olympic-style boxing leadership change and our number one priority must be *to keep Olympic-style boxing in the Olympic program of Paris 2024 and ensure its re-inclusion in the Los Angeles 2028 Olympic Games!*
