

## WORLD BOXING COMPETITIONS STAND FOR:

- 1. ENSURING FAIRNESS:** professionalism and transparency when it comes to management of competition officials to make sure every bout is a test of boxing skill, determination and sportsmanship, without external interference.
- 2. COMPREHENSIVE FORMATS:** logical, uniformed and regulated competition structure, as well as exciting and clearly defined formats for every type of event, ready to captivate both participants and boxing fans around the world.
- 3. UNIFYING CALENDAR:** meticulously coordinated, consistent, dependable and timely announced competition calendar. No more perpetual uncertainty and last minute changes!
- 4. INCLUSIVE HOSTING:** staging major competitions is no longer a privilege of a few, as sensible hosting requirements and transparent bidding procedures open doors to ensure equal opportunity for all.
- 5. EMPOWERING SUCCESS:** world-class events demand meticulous planning and flawless execution. World Boxing sets clear organisational standards, offers unwavering support and guidance to hosts throughout the entire event cycle.

**World Boxing is committed to restructuring the sport, unlocking its immense competition potential with its spectator appeal and certainly putting the integrity and boxers at the forefront of the sport.**

# WORLD BOXING COMPETITION STRUCTURE

## ÉLITE AGE CATEGORY

WORLD BOXING  
CHAMPIONSHIPS

### WORLD BOXING Championships

A major ranking competition for Élite men and women, to be staged every odd year, between Sep and Nov, with the inaugural World Boxing Championships to be staged in 2025. Bidding to commence in early 2024.

### Continental Boxing Championships

A major ranking competition for Élite men and women, to be staged every even year by World Boxing and Continental Confederations from 2024, if deemed necessary and feasible by World Boxing and the respective Confederation. Bidding to commence from September 2023.

WORLD BOXING CUP

### WORLD BOXING Cup

A major ranking series of competitions organised by World Boxing and National Federations for Élite men and women with set draw sizes, to feature up to four stages every year and a year-end final event in December.

WORLD BOXING CHALLENGE

### WORLD BOXING Challenge

A series of competitions sanctioned by World Boxing and organized in cooperation with National Federations, offering ranking points, serving a purpose of developing boxers/ National Federations and preparing them for major World Boxing as well as Multi-sport events.

World Boxing will provide support for the organisation of other Élite international tournaments, many of which are already hosted annually by National Federations, through consistency and coordination of the competition calendar, information technology, knowledge share, as well as practical guidance.

# WORLD BOXING COMPETITION STRUCTURE
