Hello,

As Vice President of the French Boxing Federation, I would like to join the WB Executive Board.

I would like to participate in the development of Olympic boxing by contributing my ideas.

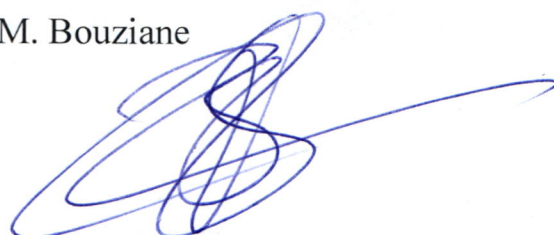

I want to improve the conditions for our boxers and enable our sport to shine throughout the world.

Being part of this great World Boxing family would be an honor for me and would allow me to contribute my contribution to this organization.

Thank you for considering my application.

Thank you very much,

M. Bouziane
