Sports and Competition Committee

Purpose

The Sports and Competition Committee advises World Boxing on all sporting and competition matters and is responsible for defining Competition Rules and other sport rules relating to boxing.

Responsibilities

The Committee shall:

- Review and recommend amendments to Competition Rules.
- Advise on sporting regulations and technical standards.
- Review competition formats and event structures.
- Support the development of Olympic-style boxing globally.
- Consider athlete and coach feedback on competition matters.
- Advise on qualification pathways and competition systems.
- Promote fairness, consistency and excellence in competition delivery.
- Support innovation in competition management and officiating.
- Provide technical recommendations to the Executive Board.
