

CANDIDATE BIOGRAPHY

**Marcos BRITO****BRA**

Nominated by Brazilian Boxing Confederation (Confederação Brasileira de Boxe) to the position of World Boxing Executive Board Member.

PROFILE

Mr Marcos Brito is President of the Brazilian Boxing Confederation (Confederação Brasileira de Boxe) and has served as a member of the World Boxing Executive Board since 2023. A qualified lawyer specialising in sports law, he brings more than a decade of experience in boxing governance, financial management, institutional relations and international sports administration.

EXPERIENCE

His progression within Brazilian boxing has included serving as Chief Financial Officer of the national federation from 2012 to 2016, Vice President from 2016 to 2020, and President from 2020. He is also a member of the Executive Board of the Panamerican Boxing Confederation. Across these roles, he has worked on governance, compliance, strategic planning, financial oversight, policy development and institutional reform.

Marcos Brito has extensive experience in major international competition and Olympic pathways. He managed the Brazilian boxing team across the London 2012, Rio 2016, Tokyo 2020 and Paris 2024 Olympic cycles, including qualification events and international championships. His event experience also includes organising and coordinating World Boxing Cup events in Foz do Iguaçu in 2025 and 2026, international training camps, Grand Prix competitions and the Americas Olympic qualification event connected to London 2012.

His legal and financial background has informed his approach to governance, particularly in relation to compliance, accountability, risk management and institutional stability. He has also worked extensively with public authorities, sponsors and sports organisations to align sporting objectives with funding, policy and regulatory frameworks.

PRIORITIES

As a candidate for re-election to the World Boxing Executive Board, Marcos Brito has identified safeguarding boxing's Olympic future, strengthening National Federations, financial sustainability, athlete development and the continued improvement of competitions as key priorities. He has also highlighted the importance of expanding media reach, modernising the presentation of the sport and supporting the development of referees, judges, technical officials and event professionals. His stated objective is to contribute practical governance, legal, financial and operational experience to World Boxing's continued institutional development and global growth.
