

CANDIDATE BIOGRAPHY

Han BO

CHN

Nominated by Chinese Boxing Federation to the position of World Boxing Executive Board Member.

PROFILE

Mr Han Bo is Secretary General of the Chinese Boxing Federation and a member of the Executive Board of Asian Boxing. He brings more than 15 years of experience in boxing administration, competition management and Olympic sports governance, combining technical expertise with senior federation leadership.

EXPERIENCE

A former boxer, Han Bo also holds credentials as an International Technical Official and national-level boxing referee and judge. He graduated from the Russian State University of Physical Education and Sports with a Master's degree and is currently a doctoral candidate at Beijing Sport University. His professional development has included IOC Olympic training, international technical-official education and sports governance programmes organised by Chinese national sports authorities.

His event experience includes serving as Competition Director for the Asia-Oceania Olympic Boxing Qualification Event for Rio 2016, the boxing competition at the 2019 CISM Military World Games, and Big Air at the Beijing 2022 Winter Olympic Games. These roles have given him experience in international competition standards, large-scale event delivery, stakeholder coordination and operational risk management.

In his current roles, Han Bo is involved in strategic planning, governance, policy development, stakeholder engagement, technical matters, risk management and digital transformation. He has emphasised transparent decision-making, clear separation between governance and operations, and the importance of balancing global standards with the different development realities of national and continental federations.

PRIORITIES

As a candidate for the World Boxing Executive Board, Han Bo has identified inclusive governance, youth boxing, athlete welfare, technical development and stronger international cooperation as key priorities. He has also highlighted the potential to connect World Boxing with Chinese universities, institutions, commercial partners and event resources, while supporting training, competitions and development initiatives. His stated objective is to contribute to a fair, transparent and sustainable global boxing system and to support World Boxing's long-term development through practical, athlete-centred governance and international collaboration.
