

FUNCTION: DAILY WEIGH-IN

Purpose of Position:

Assist with the boxer's daily morning weigh-ins.

Accountability:

All TOs and R&Js are directly accountable to the Technical Delegate.

Items needed:

Everyone should have their accreditation and a pen

Duties and Responsibilities when managing document control:

- Ensures the boxer's name on the official list matches the name on the boxer's accreditation.
- Ensures the boxer's photo on the accreditation matches the photo on the competition record book and the boxer.
- Gives the competition record book to the boxer, after verifying the documents are correct.
- Immediately informs the Technical Delegate of any issues.

Duties and Responsibilities when managing the scales:

- Ensures the boxer has passed the medical check by verifying the doctor's signature on the competition record book.
- Ensures to record the boxer's weight.
 - The boxer steps onto the official scale, only once, either naked or with underwear.
 - Ensures during the weigh-in for the boxer's first bout, both minimum and maximum weight in the boxer's category is controlled.
 - Ensures during the weigh-in after the boxer's first bout, only the maximum weight is controlled.
- Ensure the weight is confirmed by two (2) officials (TOs and/or R&Js) assigned to the scale.
 - One (1) official writes the exact weight in the competition record book.
 - The other official writes the exact weight on the Official Weigh-in Sheet.
- Immediately informs the Technical Delegate of any issues before allowing the boxer to leave the scale area.
- After confirming the boxer's weight, the officials will keep the competition record book and sort it by weight category.
- Ensures the official weigh-in sheets are signed by both officials and marked with the number of boxers who passed the daily weigh-in, and submit it to the TD for their signature, along with the competition record books.
