

FUNCTION: DEPUTY TECHNICAL DELEGATE

Purpose of Position:

The Deputy Technical Delegate is responsible for checking and monitoring all actions taking place in and around the boxing ring.

Accountability:

The Deputy Technical Delegate is directly accountable to the Technical Delegate. The Deputy Technical Delegate will undergo a performance evaluation during each competition.

Documents to submit:

Bout Results sheet to Announcer after each bout

Daily meeting report to Technical Delegate at the end of the competition day, upon request

Duties and Responsibilities:

- Assists colleagues during the Boxing Entries Check.
- Attends and assists during the Daily Weigh-ins as per assignments.
- Attend daily meetings with the Technical Delegate to give feedback regarding the competition.
- Ensures that all necessary equipment and accessories at ringside are in place ready to use.
- Checks all aspects of the ring are ready for competition (tightness of ropes, clean canvas, ringside equipment, etc).
- Ensures an ambulance is available at least 30 minutes before the start of the session(s) and in the correct parking position. Should be accompanied by an appointed Ringside doctor(s) during this inspection.
- Ensures the rules and regulation are respected in and around the ring.
- Liaises with competition staff to ensure the ringside photographers are briefed properly.
- Supervises the Coaches, photographers and all others around the FOP, to ensure proper behavior.
- Supervises and assists with the performance of the Announcer, Time Keeper & Gong Operator, Scoring System Operator and Volunteers.
- Supervises the R&J Coordinator to ensure all R&Js are placed in their correct assigned positions before every bout.
- Monitors the scores continuously during the Bout and validate that the scoring operator inputs the correct information (e.g. Warnings).
- Ensures the classification of a result is aligned with the Referee's decision when a contest is stopped.

- Responsible for all bout results and informs the Announcer of the official results per bout.
- Responsible for replacing the Technical Delegate, when necessary, at the Technical Delegate's request.
- Makes a request to the Technical Delegate to be replaced if a bout represents a conflict (e.g. bout involves a country that Deputy Technical delegate represents).
- Responsible for approving, along with the TD, an R&J Draw in the case where it is not possible for the Draw Commissioner to ensure neutrality or if there is a conflict of interest between the DC and R&J.
